

# The Residence malbec 2019

The Residence pays tribute to the historic cottage on our Farms vineyard, which was one of the earliest properties ever settled in the Barossa. Today the cottage still stands in prime position with an impressive view of our Farms vineyard.

## Winemaking

Sourced from premium vineyards in the Barossa, this wine was fermented at cooler temperatures for ten days followed by secondary fermentation and maturation in a combination of French and American oak for six months to add greater complexity and depth to the wine.

## TASTING NOTES

Deep purple in colour, vibrant dark fruit aromas of blackberry and blackcurrant are complimented with hints of tobacco and sweet soy sauce. Our malbec is medium-bodied with generous dark fruit flavours on the palate along with subtle notes of vanilla bean, combined with elegant tannins to deliver a smooth yet persistent finish.
