

THE STOCKYARD SHIRAZ 2019

Stockyard takes its name from the 100+-year-old stone ruin on our Farms vineyard. Originally a slaughterhouse, today it occupies a much more serene position overlooking rows of low-yielding Shiraz vines.

WINEMAKING

The fruit for this wine was sourced from premium vineyards in the Barossa Valley. Fermented at cooler temperatures for 10 days in traditional open top fermenters the wine undergoes Malo-lactic fermentation and is then transferred to new and old French and American hogsheads for eighteen months oak maturation before being bottled.

TASTINGNOTES

Seductive aromas of blackberry tart and plum with underlying notes of licorice, black pepper, tea leaf and hints of oak from 18 months oak maturation. The palate is rich and concentrated with broody dark fruit flavours. The oak carries through to the palate, backed by powerful yet well-rounded tannins and a generous finish. Enjoy now or will reward careful cellaring for 10+ years.
