

# THE RESIDENCE TEMPRANILLO 2020

The Residence pays tribute to the historic cottage on our Farms vineyard, which was one of the earliest properties ever settled in the Barossa. Today the cottage still stands in prime position with an impressive view of our Farms vineyard.

## WINEMAKING

Sourced from premium vineyards in the Barossa, this wine was fermented at cooler temperatures for ten days followed by secondary fermentation and maturation in a combination of French and American oak for twelve months to add greater complexity and depth to the wine.

## TASTING NOTES

An earthy and vibrant wine revealing lifted aromas of black cherry, cedar oak and a hint of bay leaf on the nose. Generous and complex, our Tempranillo is a medium-bodied wine with enticing blueberry characters and subtle oak combining to deliver a savoury finish.

## TECHNICAL DATA

ALC: 13.5%

PH: 3.55

TA: 5.5g/L

RS: 0.75g/L
